

Volunteer Opportunities - QwM 2010

In order to keep QwM running smoothly, many volunteers are needed. After planning your schedule, if you find yourself with some free time, your help volunteering would be greatly appreciated. To thank volunteers for their help at QwM, we will be giving away one Gift Bag each day, stuffed with quilting goodies (retail value of \$100). Each time you volunteer, you can enter your name into the volunteer drawing at the registration desk. Before reporting to the location where you will be volunteering, please stop at the registration desk to sign in on the Volunteer Sheet. When finished, be sure to return to the registration desk to put your name into the volunteer drawing for the day. *Teachers Angels must report to the registration desk 20-30 minutes prior to class start time to pick up the class roster (30-45 min. prior to Hands-On classes). TA's are responsible for checking students into class on the roster at start of class, passing out any hand-outs/class materials, class set-up, and helping throughout the class with anything needed, then returning the class roster to the registration desk after class. ***Note: You must be a registered participant, taking classes, to volunteer for Teachers Angel positions, but do not have to be registered for the class(s) you would like to be the Teachers Angel in.*

Please complete and return Volunteer Form with your Registration. If registering on-line fill out this form and mail to: Jodi Robinson, 1204 State Rt 551/351, Enon Valley, PA 16120. Email Jodi with any questions at jodidr2003@yahoo.com .
